Floyd's 99 is NOT your grandfather's barbershop. With an old-school new-style mentality, it mixes excellent service with the new style appeal of an experienced and talented staff. From the diverse styles and personalities of our stylists/barbers, to our signature rock and roll poster wall plastered with a time machine of music memorabilia, Floyd's 99 is a place where the music is worth turning up and where everyone can proudly let their individuality shine. We want each experience at Floyd's 99 to be as unique and authentic as the people who fill the shop. We offer a full menu of services for men and women, including cuts, color, straight razor shaves, and signature massage shampoo, finishing every service with a relaxing shoulder massage. We provide a great service, a unique, high-energy vibe, and haircuts with an unbeatable value. On top of that, no two shops are the same – meaning the Floyd's 99 experience is truly one of a kind.

Club Pilates was born in San Diego in 2007 and has expanded across the nation, bringing Pilates to hundreds of thousands of people. In 2016, Club Pilates served up over 2.2 million workouts to their dedicated members. Pure to Joseph Pilates' original Reformer-based Contrology Method, but modernized with group practice and expanded state-of-the-art equipment, Club Pilates offers high-quality, life-changing training at a surprisingly affordable price.

## Bluegrass Region - Lexington, Kentucky

- Kentucky is located within a 600-mile radius of 67% of the nation's population and personal income.
- Kentucky exports reached a new record of \$27.5 billion in 2014, with products and services shipping out to nearly 200 countries.
- Kentucky's industrial power costs are among the lowest in the U.S., and nearly 20% lower than the national average.
- Kentucky is home to not one, but two major air cargo hubs, ranking the state 3rd in the nation in total cargo.

Lexington – Fayette County is in the center of eight counties that make up the Bluegrass Region of Kentucky. 56% of the overall jobs in the Bluegrass Region are in Fayette County. The Bluegrass economy is especially strong in the areas of healthcare and education with ten colleges and universities within 40 miles of Lexington. The unemployment rate in Lexington is consistently lower than elsewhere in the entire state due to the many diverse employment sectors. Lexington is an ideal home for companies because of its educated workforce, low cost of doing business, and central location. Lexington is also home to the largest UPS ground hub in the state which has the ability to process 25,000 packages per hour. Blue Grass Airport is located 10 minutes from downtown Lexington and serves 1 million passengers per year.

The median household income in Lexington is \$65,579. The average sales price of homes in 2015 was \$253,580. 40% of the people in Fayette County have a bachelor's degree or a more advanced degree. Lexington is home to the University of Kentucky, which has an enrollment of over 30,000 students.
